## TRANSITION EXECUTIVE DIRECTOR JOINS FLINT CHILDREN'S MUSEUM

**FLINT, MI** – The Flint Children's Museum Board of Directors is pleased to announce the appointment of M. Susan Schneberger, LMSW, ACSW, JD as Transition Executive Director effective June 9, 2010. She will assist the Flint Children's Museum to achieve its goals and further its mission.

The Flint Children's Museum exists to inspire discovery, learning and imagination through exploration and hands-on play. Our museum serves as an indispensable resource for families and educators, helping to create a broad community network devoted to our children's development and learning.

Susan comes to us with a wealth of knowledge in non-profit management, strategic and succession planning, and fundraising. She most recently served as the Interim Executive Director at Wellness AIDS Services, Inc. Susan has experience in identifying new leadership, evaluating and implementing programming, and working with a volunteer Board of Directors. Susan received her Masters of Social Work from the University of Michigan. She is Board Certified with the Academy of Certified Social Workers and was previously honored as Michigan NASW Social Worker of the Year.

"The Flint Children's Museum is a wonderful organization that inspires lifelong learning for children and families in our community. I'm proud to be associated with such a committed Board of Directors and with the talented and dedicated staff as they prepare for an exciting future," said Susan.

Susan joins us at an exciting time! The museum is continuing its tremendous pattern of growth—increasing admissions, offering more programs, and adding specialized staff. More visitors than ever are walking through the doors at the FCM, enjoying monthly themes, daily activities, and "Sproutsides" outdoor natural learning environment.

If you have any questions or would like to discuss the progress of our transition, feel free to contact Susan at 810-767-5437. The Flint Children's Museum will continue to encourage exploration and spark imaginations in our community's children.
